Please be aware that we cannot guarantee that any dog is fully potty-trained or without behavioral issues.

We do our best to disclose what information we have to adopters, but often animals come in without a

history.

If you currently have dog(s) in the house, we will need to do a meet and greet between your dog(s) and the

dog you are interested in adopting.

All dogs are spayed/neutered and up to date on vaccines before any adoption is finalized. Be aware that

all cats and dogs 12 weeks old and over must rabies be vaccinated as per Maine Law.

If the adoption does not work out for whatever reason, we ask that you call The Ark and we will make

arrangements to take the dog back.

By signing below, I understand that The Ark has the right to deny my application. I understand that

adopting a pet is not "first come, first serve," and that The Ark operates on placing animals in

adoptive homes that are the best possible fit.
